#### Comments

### **Validity of the Certificate**

This Certificate remains valid provided:

There is no change to the Recognised Welding Coordinator.

LRV is permitted to perform the annual verification.

No modifications occur which affect the validity of the certificate. If such modifications do occur LRV is to be informed immediately by the manufacturer so that a decision on validity of the certificate can be made.

#### Note:

If a valid certificate is to be renewed, the renewal must be applied for at least two months before the end of the period of validity of the current certificate.
